Working for Employers

City & Guilds 2377 Portable Appliance Testing

City & Guilds 2377, Portable Appliance Testing

The Isle of Wight College

Entry Requirements:

- There are no formal entry requirements but it is expected that you would be a **practising electrician or have a sound background in the electro-technical field.**

Course Syllabus:

- Introduction to Code of Practice for In Service and Testing of Electrical Equipment
- Equipment Types and Classifications
- Inspection and Testing – Use of Equipment
- Record Systems – Types of Record
- Practical Session

Assessment:

It is possible to take two qualifications in the Inspection and Testing of Portable Electrical Equipment:

- Certificate of Competence for the Inspection and Testing of Electrical Equipment
- Certificate of Competent Management of Electrical Equipment Maintenance

All candidates will be entered for the “on-line” competency examination following the course. There will be the option of entering for the management examination as the material will be covered in the course.

Course Material:

Delegates are required to purchase:

- Code of Practice for In-Service Inspection and Testing of Electrical Equipment
- IEE Exam Success City & Guilds 2377 (ISBN: 978-0-86341-805-1)

EQUALITY & DIVERSITY POLICY

The college is committed to an Equality and Diversity policy that is intended to be an integral part of College life. The aim is to create an environment in which people treat each other with mutual respect, regardless of ethnicity, skin colour, gender, marital status, religion, disability, sexual orientation and age.

DISABILITY POLICY

The college is committed to ensuring that disabled people including those with learning difficulties are treated fairly. If you are a disabled person, please let us know what you need so that we can make all reasonable adjustments to help you succeed.
